## ABOUT JOURNAL

**Pharmacognosy Magazine** [www.phcog.com], a quarterly publication from Phcog.Net, Bangalore, INDIA and published by Wolters Kluwer Health - Medknow Publications and Media Pvt. Ltd, Mumbai, INDIA. It provides peer-reviewed original research articles from the field of Natural Products. The journal serves an international audience of scientists and researchers in a variety of research and academia by quickly disseminating research findings related to Medicinal Plants and Natural Products.

It is a peer reviewed journal aiming to publish high quality original research articles, methods, techniques and evaluation reports, short communications and editorials of all aspects of medicinal plant research. The journal is aimed at a broad readership, publishing articles on all aspects of pharmacognosy, and related fields. The journal aims to increase understanding of pharmacognosy as well as to direct and foster further research through the dissemination of scientific information by the publication of manuscripts. The submissions of original contributions in all areas of pharmacognosy and Natural Products are welcome.

## CONTRIBUTE YOUR IMPORTANT RESEARCH
